

FOR IMMEDIATE RELEASE

DRB®, a Vontier Company, Appoints Devon Watson President

Akron, OH – August 7, 2024 – DRB, a Vontier Company (NYSE: VNT) and leading provider of car wash and vehicle care technology, is pleased to announce the appointment of Devon Watson as President. Devon brings a wealth of experience in mission-critical, consumer-facing technology to DRB.

"We are thrilled to welcome Devon Watson to the DRB and Vontier team," said Mark Morelli, President and CEO of Vontier. "Devon's rich background in technology, combined with his demonstrated success in fostering customer-centric innovation and growth, positions him as the ideal leader to take DRB to new heights and deliver exceptional value to DRB clients."

Devon's career is marked by a diverse background in software, devices and technology-enabled services. His most recent role was Executive Vice President of Business Development at Sesami, a global leader in cash transaction automation for banks and retailers. Previously, Devon was the Global Head of Banking at Diebold Nixdorf (DN), a top ten global financial and retail technology company. During his tenure at DN, Devon led product innovation introducing next generation solutions and industry-first breakthroughs, and as the Chief Marketing Officer, he drove the successful digitization of the organization and repositioning of the company.

Devon expressed his excitement about joining DRB: "I am honored to lead DRB at such a pivotal time in our industry and the company's 40-year history. I look forward to collaborating with the talented team and innovative customers to drive further success and excellence in the vehicle care market."
